

MANHATTAN
HUNTER
SCIENCE HIGH SCHOOL

September 22, 2011

Dear Parent or Guardian:

I want to take this opportunity to invite you to attend Manhattan Hunter Science High School's Back to School night. When home and school work together to get a student to succeed, chances for optimal results are enhanced. All too often, parents and school people work together only when a problem exists. Back-to-School Night provides an opportunity for us to establish, early in the school year a collaborative working relationship.

On Thursday, September 22, beginning at 6:00PM, we invite you to walk your youngster's school day in miniature. Teachers will conduct mini-lessons during which two objectives may be met:

- the teacher will model his/her teaching style, providing you with a real feel for the classroom experience
- the teacher can orient you to course requirements, classroom expectations, grading practices, homework expectations and the like

Attached, you will find the evening's schedule. Please have your youngster complete it with his/her teachers, classes and rooms.

We look forward to seeing you.

Sincerely,

Susan Kreisman
Principal

Back -to- School Night
September 22, 2011
6PM
