HIGH SCHOOLS AT A GLANCE

*A companion guide to the **Directory of the New York City Public High Schools 2011-2012***

It is the policy of the Department of Education of the City of New York not to discriminate on the basis of race, color, religion, national origin, citizenship/immigration status, age, disability, marital status, sex, sexual orientation or gender identity/expression in its educational programs and activities, including Career and Technical Education ("CTE") programs, and to maintain an environment free of sexual harassment, as required by law.

INTRODUCTION

HIGH SCHOOLS AT A GLANCE is designed to help you quickly identify high school programs to which you would like to apply. On the following pages, you will find a comprehensive chart, organized by borough, listing every high school program and its six most important features: program name, program code, interest area, admissions method, admissions priorities, and Directory page number. Here are more detailed descriptions of those items:

- 1. PROGRAM NAME:** Each program offered by a school has a distinct name, which must be included on your High School Application. Please note that some schools offer multiple programs.
- 2. PROGRAM CODE:** Each program has a distinct four-character program code, which also must be included on your High School Application.
- 3. INTEREST AREA:** Each program has a specified interest area selected from the list below. In this publication, each interest area is assigned a separate column, allowing you to quickly identify programs that share a particular interest area. The interest areas include:

Animal Science	Engineering	Law & Government
Architecture	Environmental Science	Performing Arts
Business	Film/Video	Performing Arts/Visual Art & Design
Communications	Health Professions	Science & Math
Computer Science & Technology	Hospitality, Travel & Tourism	Teaching
Cosmetology	Humanities & Interdisciplinary	Visual Art & Design
Culinary Arts	Junior Reserve Officer Training Corps (JROTC)	Zoned

- 4. ADMISSIONS METHOD:** Each program has its own admissions method (listed in the column of the program's interest area). The admissions methods are described below:

A

AUDITION: Programs that require you to demonstrate proficiency in a specific arts area. Audition requirements and scheduled dates and times for specific programs are listed in the High School Directory.

E

EDUCATIONAL OPTION (ED. OPT.): Programs designed to attract a wide range of academic performers. Each program has a certain proportion of seats reserved for students from the high reading level, the middle reading level, and the low reading level (see below). From the applicant pool, half of the students are selected from among students ranked by the school administration and half are selected randomly. If you score in the top 2% on your previous year's English Language Arts exam and you list an Ed. Opt. program as your first choice on your application, you are guaranteed a match to that program.

EDUCATIONAL OPTION SEAT DISTRIBUTION

- 16% in the high reading level
- 68% in the middle reading level
- 16% in the low reading level

4. ADMISSIONS METHOD: *Continued*

- L** **LIMITED UNSCREENED:** Programs that give priority to students who demonstrate interest in a school by attending the school's Information Session(s) or Open House events or visiting the school's exhibit at any one of the High School Fairs. You must sign in at these events in order to receive priority to the school's program(s).
- S** **SCREENED:** Programs in which students are ranked by a school based on a student's academic record, standardized test scores, attendance, and punctuality. Schools may also use other criteria to evaluate applicants such as an interview, essay or additional diagnostic test. You should review the selection criteria for each screened program listed in the "Programs Offered" section on each school's Directory page.
- SL** **SCREENED FOR LANGUAGE:** Programs for students with a minimum level of English language proficiency only. Screened for Language programs include Bilingual, Dual Language, and International. Interested students must review the Program Details and Admissions Priorities in the Enrollment section on each school's Directory page to ensure that they are applying to a program that matches their home/native language. Priority is given to students whose home/native language matches that of the individual program.
- T** **TEST:** Programs that require you to take the Specialized High Schools Admissions Test (SHSAT) for entrance. For the Specialized High Schools requiring the SHSAT, only the test scores determine eligibility.
- U** **UNSCREENED:** Programs for which students who apply are selected randomly.
- Z** **ZONED:** Programs that give priority to students who live in the geographical zoned area of the high school.

5. ADMISSIONS PRIORITIES: The order in which applicants are considered for any given school. Each school's Directory page lists Admissions Priorities in the Enrollment section on the left side of the page. This *At a Glance* publication indicates which programs offer the **CONTINUING 8TH GRADERS** priority; for other priority measures, please consult the Directory.

- 8** **CONTINUING 8TH GRADERS:** Programs open only to 8th grade students who are currently enrolled at a school with both middle and high school grades and who wish to continue to the high school.

6. DIRECTORY PAGE NUMBER: Each school has its own page in the *Directory of the New York City Public High Schools 2011-2012*. To learn more about the programs listed in this publication, including their admissions priorities, course highlights, extracurricular activities and PSAL sports teams, please consult the page listed for that school in the Directory.
