Directions: There should be one School Leadership Team (SLT) for each school. As per the *Chancellor’s Regulations for School Leadership Teams*, **SLT membership must include an equal number of parents and staff** (students and CBO representatives are not counted when assessing the balance), and ensure representation of all school constituencies. The signatures of SLT members on this page indicates their participation in the development of the Comprehensive Educational Plan and confirmation that required consultation has occurred in the aligning of funds to support educational programs (*Refer to Chancellor’s Regulations A-655 on SLT’s; available on the NYCDOE website at <http://schools.nyc.gov/Administration/ChancellorsRegulations/default.htm>*). *Note: If for any reason an SLT member does not wish to sign this plan, he/she may attach an explanation in lieu of his/her signature.*
